Docket No. N2012-1

NOTICE OF UNITED STATES POSTAL SERVICE
OF FILING OF PUBLIC AND NON-PUBLIC LIBRARY REFERENCES
(December 5, 2011)

In accordance with Rule 31(b)(2), the United States Postal Service hereby provides notice today that it is filing 34 public library references and five non-public library references to support its direct case and to aid the Commission's consideration of the Postal Service Request for an advisory opinion in this docket. The library references are primarily witness foundational materials (Category 2), with some also including reporting systems output (Category 1). In some cases, the materials consist of previously published materials provided for convenience of the reader (Category 3). The preface page filed with each library reference reflects its category. The list below reflects that certain library reference numbers are being reserved for later use as additional public and non-public library references are filed in this docket.

Applications for non-public treatment protective conditions for materials within the five non-public library references listed below are each attached to this Notice.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
